Thread: [in searching for HQ traffic \[Only for Serious ppl\]](#)

Paladin - October 18, 2020, 4:57 pm

I'm not sure if I needed to post on here or in the Buy/Hire Section.

First of all I want to say that I'm working with EW more than 6 yeras (constantly). You can see my first posted threads about EW - posted in 2014: [here](#) and [here](#).

With this time I have gained good skills with S.E and ewhoring.

I am not sure how much I earned in total because I do not have full tracking but I guess something above 50k. and only with saturated known sources.

My record is 2k in only two days. You can see some of threads for my good days [here](#) and [here](#).
Also:

January 15 - 2015 - \$660 <https://imgur.com/a/rjLcK>

January 28 - 2015 - \$635 <https://imgur.com/a/uHL13>

September 20 - 2015 - \$550 <https://imgur.com/qjddy3Y>

January 2 - 2016 - \$660 <https://imgur.com/EZUenza>

I had some problems the last period and didn't have enough time to spend for it.

Now I'm back and I need cash. I'm willing to put a lot of work into dedication and can work more than 12 hours per day. I tried with the old sources but they are so saturated and I'm receiving only small number of new chats.

I'm looking for serious people who can provide HQ traffic or sell the source. If you have any tip about it and wanna help - or If you can provide it, we can make negotiation and make a deal how we can work together. I'm willing to pay \$\$ per day for the traffic or even split some %.

Peace

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
