Hey everybody, it's Skateboard here. I'm making this video and thread as a farewell because I will be moving! So, I'm getting a new job,

I'm getting older, and I'll just not have any more time for HF like I used to. So, I'm just leaving entirely. I don't want to draw too much attention to myself. I want to leave lowkey and not make a "big scene", so I'll just post this and close the thread.

I guess nobody will be able to post in the thread, but you could just read and hopefully, you will all understand! I want to say

that since I've joined HF on March 23rd, 2020, I had fun, and I've met some amazing people on here. Thank you to all of the

members, staff, admins, and everyone else for the great memories that we've shared on HF together. Omniscient, Xerotic,

The HF News Team, and everyone else who contributed and put generous amounts of work into HF. It made my experience

here on HF to be a wonderful one. However, my time has come, I'm getting older and simply won't have the time and I won't be on HF

anymore from this point on. Well, thank you for reading this far on my last post of HF. Bye everybody!
