Which part isn't working correctly for you?

So i think what he meant was, The below two points.

Quote:Live in a country eligible for Coinbase Earn. Eligible countries are:

Austria, Australia, Belgium, Bulgaria, Canada, Croatia, Cypress, Czech Republic, Denmark, Estonia, Finland, France, Greece, Hong Kong, Hungary, Iceland, Ireland, Italy, Japan, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, The Netherlands, Norway, New Zealand, Poland, Portugal, Romania, Senegal, Singapore, South Korea, Spain, Sweden, Switzerland, Taiwan, The United Kingdom, and the United States. We are working hard to add more eligible countries soon

Complete customer and ID verification, and be at the maximum account level (you can do this by completing full identity verification)

So it might not work for all but it does work for people so its legit just not for everybody :)
