Thread: [Buying all Call of Duty Black Ops Cold War 60 min. Double 2XP Codes](#)

Title basically says it all. I am buying all 60 Minute Double 2XP codes for the upcoming Call of Duty Black Ops Cold War.

Not interested in the smaller denomination like 15 minute codes, these are easier to deal with. Yes, I know you can get these free off the back of the 9.75 OZ Doritos bags. I'm lazy.

Currently paying \$0.50 a code. Please start a contract with what you have on-hand and are willing to sell, or send me a PM.

I can do this for you. Codes are fairly easy to obtain so your price sounds about right. How many total are you trying to obtain? I wanna know so I can get this done in one shot!
