Thread: [send sms to country of your choice \[HTTP API-SMPP \]](#)

CR2TEXT - *October 28, 2020, 9:09 am*

Sending sms is now easy .

You can use your own sender id in my sms routes and can send any country .

for demo add me on below accounts .

telgrm id : @Cr2sm

skype : [live:.cid.97dfb810a681ad3b](#)

[contract=tid]Start Contract[/contract]
