Thread: [Please give me negative reputation.](#)

Uniform Purpose - October 30, 2020, 5:14 pm

I want negative rep. Give me negative rep to help me on my mission to get Bytes with useless posts and become a low quality member. I want negative rep.

If you don't give me negative rep points, then get off this thread and go about your day loser

Your request granted Uniform Purpose.

I'm not giving you the satisfaction.

Someone needs attention.

I'd give you negative reputation, but I only give that to people I don't like.

Frankly, I like you man sorry.

Because you're the only person who responds to me.

Not even IRL people whatsapp me.

You became something dear to me, a friend.. A tomodachii desu.

Yanix - October 30, 2020, 7:37 pm

I won't give you satisfaction as you didn't give me some free taste of your stuff :D

I truly appreciate that, my amigo. Hopefully you'll see better days and I will too.

(Oct 30, 2020 07:40 PM)Uniform Purpose Wrote: [\[CITE\]](#) I hope so as well. Why are you not seeing good days?

I'm in Uni consistently getting high grades. But I don't like being forced to study.

I learn more when I chase my interests by reading upon them in my own time.

Also don't see myself in the corporate life & living life accordingly as the religion dictates which my parents believe in.

I always wanted to live with my grandpa on his farm. Unfortunately he passed away couple years ago.

My family immediately sold his farm for some quick \$\$\$. So I'll have to save up some money myself to have my own ranch/farm.
