Thread: [\[PRIVATE MONEY MAKING METHOD\] 1 COPY LEFT | FULLY AUTOMATED ONLY WORKING FOR 10 DAYS](#)

John Doe - October 31, 2020, 12:32 pm

Just discovered myself a new method, that is only going to work for the next 10 days.

It does require investment, for every \$2.7 You spend you get back 7, so \$5 profit per thing. You can sell approximately 40 a day fully automatically this method will only work for like 10 days from now.

I made myself \$220 today alone, but paypal holds lowkey fucking me for 30 days, so im trying to sell like 1-2 guidances to get more capital to chuck more into a bigger return.

Happy to offer refund guarantee if you dont make your money back.
You have to be 18+ and have a paypal

1ST Copy = \$50

2nd Copy = \$75

THIS IS FULLY LEGAL.

Interested, shoot me a message.

Joined for the first copy. Seems promising and I'll be giving it a shot. Probably not going to make me rich but it'll be a nice quick buck.

Can you send me some more info on what this has to do with if possible? Also, why can you only do this for the next 10 days?
