Velma - November 1, 2020, 4:20 am

You gotta be ready bro ?

ScorpionX - November 1, 2020, 7:33 am

Would be such a challenge. But I am up to the challenge.

DizzyPope - November 1, 2020, 7:52 am

I might try it for once, maybe it has a cleansing effect on me

MarvinMalware - November 1, 2020, 7:56 am

Never have and never will participate in this, fuck that. I got a girlfriend who'd probably leave my ass if I tell her she isn't getting dick for a month, plus I'd probably go crazy.

vyvanse - November 1, 2020, 8:59 am

I lost an hour in thanks to my partner being extremely persistent ?

Seems like a toxic relationship if your partner can't handle not having sex for a month, take a step back and look at everything deeper.

Prawnster - November 1, 2020, 11:57 am

I can do no masturbation easy but if it includes shaggin then I ain't gonna make it lmao

Dorrance - November 1, 2020, 11:59 am

Black Whale - November 1, 2020, 12:08 pm

I lost today, I am a fallen soldier

Kody - November 23, 2020, 2:03 pm

LMAOOO. I legit tried to do it maybe 2 years ago and it proved to be way more of a challenge than I intended. All fine at first, but after day 20 or I couldn't take it. My mind was so foggy and I literally had to bust one out before I lost my mind

Psilocybinaut - November 23, 2020, 10:38 pm

Mr. Atlas - November 24, 2020, 6:14 am

I don't participate in this kind of thing

Especially since it's good for your health ...
