I am open for business. I have helped a handful of people thus far.

Please, recognize the importance of a solid LinkedIn and Resume. Companies spend ~10 seconds looking at each resume; if nothing catches their eye, you aren't going to make progress. Let me help you.

Got a resume made by Romania. Great guy and really professional. Really satisfied with the end result. Doubt I could even land an interview without his help.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for

each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
