Thread: [anyone using cpagrip and cpabuild?](#)

SIM-4823871 - November 2, 2020, 8:52 pm

as the title says. I'm trying to get my life back I lost my job due to pandemic. I want to try cpa again if I can still make couple of dollars. I'm starting from scratch. Anyone willing to help a brother? thanks y'all

yastene - November 28, 2020, 5:37 am

hi freind as you know the cpabuild is hard to aprove and if you want i sell a new approved account with 5usd bonus

i sell it with 5 usd only if you want it sir im here

Check my thread, it is probably the best option to get you started again, it's also in this section should be easy to spot.

Most guys can easy achieve like \$10 or so daily by doing a bit of manual,free traffic work and then scale from there ^^
