Thread: [SOCIAL MEDIA VERIFICATION Instagram & Facebook + More FLAT RATE FEE!](#)

So, you want the verification badge? Get in line. Everyone wants it, but very few will ever get it.

We have the ability to verify Facebook pages and verify Instagram accounts, we can also help with obtaining usernames (prices of those vary so contact support to discuss). But, this doesn't mean your crappy spam account will get verified. Social Media Verification is ONLY for accounts that actually deserve to be verified.

Now, there are two things you need to take into consideration before reading any further...

1) This is NOT cheap. The cost per verification is a flat fee of \$2300. If this is NOT in your budget, please do not waste our time. We are cheaper than every other company offering this service (we know because we checked!).. their prices will range from \$7k upwards, no flat rate.

2) We take payment via Bitcoin & Paypal

Also, we will ONLY take you on after we evaluate your account. We are not here to waste anyone's time, especially our own.
