Thread: [Giving away compliments](#)

InjectorGadget - November 3, 2020, 6:58 pm

Been a while since I did one of these, with all that's going on right now I figure we could all use some motivation!

You set the right example for those coming after you and it is clear to see that you take responsibility for your position of a role model.

You set a great example for people who want to be as successful as you are in social media services. I saw you frequently give out Instagram likes! I'm sure people appreciate it more than you even know! Sorry that you lost all your rep </3

Always been a fan of your avatar for some reason. It stands out very well. Is there any meaning behind it?

@OP, it's quite nice of you to make a thread as such. Everyone could use a little positivity in their lives; considering all that is going on right now.

You can't count on other people to make you happy, and you certainly won't be fulfilled by material things. A productive life of achievement based on your goals and values will foster sustained happiness.

Thanks man <3

When you have a goal, you allow nothing to stand in your way. Your dedication and ability to see

things through to the end is inspiring.
