Looks nice

will this be OPEN SOURCE release like ASYNC RAT?

DI?E - November 4, 2020, 12:52 pm

Nice contribution. Straight and to the point. I too would like to take a look at the source code if possible. Might be able to help you add some features.

As far as features go, a cache grabber is always a sought out feature on rats. I think reverse proxies are overlooked too.

I would be fine with that. ?

ItalianBoy - November 5, 2020, 10:24 am

I really appreciate this works, if you sell it you have your first customer here :)

nCuX0 - November 5, 2020, 2:44 pm

good looking project, let me know if you want to test it with high amount of bots
