btc and pp f&f

MrJamesDean - November 4, 2020, 1:08 pm

Is this buying and selling jacked accounts? Because they're clamping down on this bro

Hey OP can you confirm if this method is related to what the above user asked?

gioeste1974 - November 7, 2020, 10:04 am

yes this is buying and selling jacked accounts

Method is patched n fixed since ages, not sure it ever worked for anyone besides the accounts sellers. Also I'm not sure it's allowed on the forum

They just said above you that it was patched... Are you stupid or something? Go ahead and get scammed.....

mr gwaan - November 26, 2020, 7:26 am

i know someone who tried this and wasn't able to cash out and all transactions were flagged and didnt go thought

Matrixcryptos - December 6, 2020, 7:29 am

method only works if you do the following once u log in check login sessions u will se where user last logged in from mimick the locaktion ect to card succesfully
