Disputed Member: <https://hackforums.net/member.php?action=profile&uid=3577028>

I opened this community alert, just to let others know he scammed me on another website

I contacted this guy and I agreed to his deal of \$310 for [BRAND NAME REMOVED] guide and i got nothing

Details and proofs: <https://cracked.to/Thread-SCAM-REPORT-AGAINST-SimpCity?page=1>

He already banned on the cracked and nulled forums.

nulled: <https://www.nulled.to/user/4150910-realsimplicity>

cracked: <https://cracked.to/SimpCity>

Also on this forum there was already a thread with the same deception:

[Honey Singh has Disputed a Contract with SimpCity \(3577028 \)](#)

Be careful. I highly recommend not to deal with SimpCity AKA yunglean#0001

yes , [BRAND NAME REMOVED] is down since yesterday nothing working
even if you fix something it will work only for 1 account then its dead again
also refunds aren't coming up like before
so not worth at all anymore until new method coming out
if anyone found a solution
