Does this work with BITRAT?

Nassief2018 - November 10, 2020, 8:11 am

Does this works perfectly with NetWire RAT?

Fulya Donmez - November 11, 2020, 6:38 am

Any vouch copy available?

7 - November 11, 2020, 6:39 am

200\$ is quite pricey without vouches. Would be interesting to see a review of this first.
Not just for me but the community

Does it apply proper patches?
yes, it applies proper patches. It has 2 injection methods and they are being activated based on a condition.

this crypter works with redline?

?BADMAN? - December 21, 2020, 7:50 am

What is the purpose of crypting # (with console open) at windows defender bypass video? You don't know that tools that have console open are not detected as malicious at all?

Does this work with bitrat and/or netwire? Answer plz.

Also, can someone post an honest review. Does startup work in this crypter? This review is making me think a little bit:
