Thread: [NEED EXPERIENCED CODER](#)

TheCrazyONE - November 9, 2020, 11:26 am

Pls im tired of 0 skill prgrammers if u cant bypass some specific bot detection dont msg me...

Msg me !

[contract=tid]Start Contract[/contract]

koder - November 9, 2020, 12:12 pm

Could you specify it more? I have been coding for almost 2 years and I think I could help you.

Please, PM me with the details.

Thanks u in advance ;)

VisualSoft - November 9, 2020, 4:29 pm

Please provide more information like what is it coded in, What does it do and some more information about detection.

pm me with details. I have been coding over 10 years.

TheCrazyONE - November 21, 2020, 7:58 pm

Please stop wasting my time if you HAVENT DONE BOT DETECTION BYPASSES BEFORE STOP WASTING MY TIME

People only contact me ask which site and dont respond back.

Will only talk to serious coders now.
