Thread: [Edit progress > Sunset on the waterside](#)

SIM-1729678 - November 9, 2020, 3:28 pm

So, for my Instagram, I made this tap to edit progress. Thought it would be a fun share.

Original:

Spoiler [\(Click to View\)](#)

Step 1:

Sky replacement via the new Photoshop sky replacement function (stock sky used)

Spoiler [\(Click to View\)](#)

Step 2 and Final result:

Final color correction in Lightroom using my presets and some tweaking.

Spoiler [\(Click to View\)](#)

Holy shit! That looks so fucking dope!

Good job bro

(brb watching every photoshop video on youtube)

Really nice work on that edit! I love to mess around on PS so I definitely appreciate this

MesaGFX - November 20, 2020, 3:53 am

Looks dope af bro keep up the good work

I do not mind at all! :)

Mind - December 1, 2020, 1:04 am

Love the slight touch of grain in the final image. Good work!
