Thread: [really cheap/free middleman service :\)](#)

Gigabyte - November 16, 2020, 9:09 am

hi,

after being asked by a member whether i offer middleman services i've agreed that i'm more than happy to do so at a pretty low rate or even free

it's super ez, all you gotta do is shoot me a convo with the relevant details: payment method (i only transact paypal f&f for small amounts/bitcoin), amount involved and the services/goods being transacted

4% is maximum rate, if you're a new member i'll be happy to middleman for free

ready to get started? [dm me](#)

adding a middleman to your deal is as simple as pasting my uid into the "middleman" box on the create contract page, but pls contact me before doing so

I WILL ONLY DEAL ON-SITE VIA HF CONVO

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
