[BRAND NAME REMOVED] Traffic
[Guaranteed Adds - Fresh Accounts or Direct To Snap]

This is a no-frills [BRAND NAME REMOVED] Traffic service. You can either pay us for freshly made Snapchat accounts or we can your Snapchat in our bots, giving you hundred of adds per day. We're looking to provide long term traffic to people in the e-Whoring community. All traffic will be from the US and geo-locations will be decided by us - pictures of your model can be used. For direct traffic, we will require access to your account to check the amount of adds.

Fresh Accounts:300+ adds - \$100

Terms of Services:

Spoiler [\(Click to View\)](#) ToS can and will be changed whenever I intend to.

By purchasing, you automatically agree to all of my current and future terms of service.

There is a high operating cost for the accounts so there will be no refunds unless we completely did not service the order, but we will work to ensure you receive what you purchased.

You're agreeing to a small margin of error in terms of adds when purchasing. We will try to always overdeliver.

You will provide us access to your Snapchat account for delivery of adds.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Any trial or review copies?

We do not offer any trial or review copies due to the operating cost. It costs money to make the accounts to run for adds, so even a trial costs money to us.

Sounds interesting, I'll write to you later and go through everything. If I will use your service I will write a review after successful testing.

I would be open to pay the costs for a "vouch run" and then become a stable client, however, I won't vouch beg.

The service is interesting, I will surely keep an eye and eventually probably buying it. Just one

question, can you provide traffic to "banned" snapname? [BRAND NAME REMOVED] bans specific snapnames if they detect spam behavior related to it.

No. If your Snapchat is flagged by [BRAND NAME REMOVED], we do not provide traffic to it.

Due to further testings we've found that most Snapchat handles are abused. Looking to provide fresh accounts grown to order instead.

Deadmau5 - November 19, 2020, 4:30 am

Blacksharkx - November 19, 2020, 5:27 am
