MarvinMalware - November 19, 2020, 10:18 pm

Thread design looks great! Good luck with sales!

apt1337 - November 21, 2020, 7:46 am

Big vouch for OP and this sales thread, I opened a contract yesterday as his first customer for the "Flawless Sales Thread" option, OP is a cool guy and easy to talk to in convo, as someone that's been here on these forums since 2017 I can honestly say this is a trustworthy and high-quality member, he is attentive to your needs and patient when it comes to understanding what you want and what you're looking for, he is very active here and replies fast as you have importance and priority as a customer.

The time I purchased this was friday (yesterday) in the evening, and the time and date that my product was supposed to be delivered was sunday evening, when I woke up this morning OP already had sent me the samples and previews of what he had created, not only have I got this 36 hours early, he was also very attentive and patient when I asked to change things, really easy to deal with and will alter anything you ask. OP also said that if I decide I don't like something in the design of the thread later on after it's posted, I can just send a message and we'll talk about it and he'll see what he can do.

If you need anything OP is offering, don't hesitate to deal with this user, he is high quality and understanding. I will be using this person again in the future.

This is my thread that he designed -

Purchased some content writing and delivery was fast really fast. Content is of high quality and seller is quick to respond with any questions.

Stanley - June 17, 2021, 8:54 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
