Thread: [QueensC \(uid=4867277\) Impersonating members](#)

Hello hf,

Just want to alert everyone about this user [QueensC](#) who's trying to impersonate sellers on HF.

He tried to bring an user (redfarmer33) out of HF (and scam him?), pretending he's selling my tools. redfarmer33 didn't fall for his bs and contacted me via PM asking if he was actually dealing with me:

He's probably doing a lot more of these. Already made some victims looking by the Deal disputes section
