The seller gives you the correct info to remove your information on the internet and become more anonymous. A+

Big vouch from me. Nicest guy u have met In a while and cares about his customers and thoughts on things. Also, if you put a little time into it you can make yourself invisible to the online world and all the pricks trying to use your information for harm. I ++++ this and anyone looking to become more anonymous to the online world, give it a try. (Nov 19, 2020 07:20 PM)c00lkid66 Wrote: [\[CITE\]](#) Vouch! Dude helped me out and gave me a free vouch. I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,  
Stanley
