Thread: [\[CHEAP\]\[Selling\] COD Cold War 2020 2X EXP CODES & ITEMS! \[\\$1\] >>](#)

ChumChum - November 17, 2020, 8:45 pm

You are buying a code that is: 60 minute DOUBLE XP. You are also entered to win a 1 year 2X exp to your own account!

I also sell totinos codes which give emblem/weapon xp/ icon/ operator

I am no part of Call of Duty, Activision, or such. I have legitimately bought the items to get these codes. May the odds be in your favor! Notes:

There will be no refunds please redeem all codes immediately

You can use 40 hours worth of codes per account. It works global as I have tested. 100emoji 100emoji

I also have a method to test codes working before-hand.

Please pm me or post if questions!

I have plenty of vouches on my other threads!
