Everyone knows by now I don't post here much nor have the time to anymore.. Life has definitely grown on me.. Anyhow IF you know where I got this PM[Private Method] from you'd know it cost a pretty penny of course.. I'm not greedy and I don't mind sharing this method with only 5-10 people to be honest. I'm only giving out 1 VOUCH COPY to a trusted member of this site to vouch for the legitimacy of this method and scalability of it. Also.. I do not associate off the site without a contract.

In addition, PROOF OF PAYMENT CAN BE PROVIDED , IT WILL BE ASSOCIATED WITH ANOTHER BH FORUMS ! IT WILL BE SMART OF MYSELF TO NOT POST THE PROOF HERE. IF YOU WANT ACTUAL PROOF OF PAYMENT PRIVATE MESSAGE ME ACCORDINGLY AND I WILL SEND MY TG.

Things are misleading in sales post.

You NEED to have PC and MIC to get approved to site and its not guaranteed you will get accepted. So you cant start with phone.

You better be from US or you will have very limited offers to complete and limited earnings.

Company have VERY bad reviews online about not paying out!

OP edited post "IF YOU DON'T MAKE IT BACK LITERALLY IN 3 DAYS OR LESS THEN FULL

REFUND!" to "IF YOU DON'T MAKE IT BACK LITERALLY IN A WEEK OR LESS THEN FULL REFUND!" after I called him out in PM.

I am not from US and I dont have MIC to even start application and he refuses the refund. I will win it on PayPal tho, so no biggie. Just wanted to warn everyone of misleading sales post.

Wow, can't wait for this review from the vouch holder.

I am going to be honest in this review.

I am not sales trashing, but this method is very barebones. I am not going to be a dickhead and leak his method, but this has been saturated and been on this forum, as well as everywhere else since I joined this forum back in 2013/2014.

Screenshots are from 2015 in the method, and even back then I tried to get approved for this method and I could not. My mother has been approved for it and there are not many offers for her to do and she has been doing it for 2 years. I do not see \$200 a day possible even in the US for this.

Thank you for offering me a vouch copy!
