Looking to get rid of this once and for good, OBO \$250 Crypto.

Full ownership rights, method still works great. Comes in multiple videos (rather than a traditional eBook), Sales thread designs (two, maybe three if i can find it...), one signature and plus spread sheet (Used for premium package)

Post/message any questions you may have.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
