Thread: [Trusted middlemen?](#)

Was wondering if anyone could recommend me a trusted middleman that can help with a deal. If you can, please start a convo with your fees and middleman thread/vouches. Thanks :)

Hit up Zexi or Zero or Kill Joy only the people I would deal with.

Appreciate it homie. I sent Kill Joy a message already, but I will also check with the other two. Thanks :)

Zexi or Kill Joy, not used personally, heard good things around the forum about their services.

Kill Joy is pretty trustworthy. I think he does it for free, too. He's probably you're best bet. Can't go wrong.?

Gave both of them a message and unfortunately Zexi doesn't do paypal and Kill Joy hasn't responded yet, but I appreciate it!

At one point, Cooligan did it. I don't know if he still does though. But he's trusted so it's worth a try.
