No you don't need to deposit.

Just verify your email and phone.

But and my new link you can get 7€ for free. (Check my other post or my profile.)

You don't register with the link then...
Working for all people man ?
And if you use the link on my profile banner is 7€ free money.
And with the link here is 20 free spins when you verified your account.
If you don't have the free spins contact the support. Thanks you. ??

Yeah you don't use my link when you register. You using adblock or other i think.
Contact other people and look ;) Why for what not working for you only ?!

cento - December 10, 2020, 3:49 am

Bro, it's even written on their website that you have to deposit in order to get 20 free spins
I've used your link, the support dude checked it so stop lying

Still waiting for your proof bro

If you tell me who to contact so that they can verify that they got 20 free spins using your link, it's all good

PetiteBoulette - December 10, 2020, 8:47 am

Look your rep "You post trash everywhere."

I don't need to send you proof.

You are the only man tell me you receive nothing.

Sorry if you are shit or you don't have luck.

I'm post my partner link ONLY ON HACKFORUMS.

74 People registered +13 today and YOU just YOU tell me is not working ?

Where is the problem ? I think problem is you.

Then NOW stop post here please is not working for you sorry man. I think casino don't like you.

And if you check good before click on the link here if you check my other thread you have 7€ free.
