Thread: [\[Wanted\] Xmas HUM](#)

Omniscient - November 23, 2020, 12:17 pm

So just like the 4th of July Freagle that was created by the community, we are asking for members to submit ideas and concepts for a Xmas HUM.

If possible we'd like suggestion for Special Abilities for the Xmas HUM.

So post away and please post your graphics in this thread.

EDIT: 10k Bytes for best HUM that we use.

Dorrance - November 23, 2020, 12:19 pm

Faberge eggs designs would be dope for all hackuman eggs.

Angela White - November 23, 2020, 12:20 pm

The Xmas HUM could have a Present ability or something where you receive bonus bytes (or a chance of bonus bytes, or a super small chance at even one of the Present / Gift awards) every time they attack another HUM.

[Fortunate](#) you still alive boi?

Heck yeah, got a free day tomorrow so I can put something together, thanks for the tag brother.

Lavish Living - November 23, 2020, 12:42 pm

Yo Omni, I like these holiday awards, keep em coming. Think Zero messaged you about another one you can do real soon.

But you're skipping one??? What about a Turkey HUM??

Yin Yang - November 23, 2020, 12:52 pm

I think the grinch or abominable snowman would be dope for a Xmas themed HUM

Nice thinking. Let's see if we can get images. I like the snowman idea. He can made of cocaine and we'll call him Vicer in honor of the Vices section.

Yanix - November 23, 2020, 6:57 pm

I guess Santa or even a reindeer with a facemask would be cool for this Xmas HUM

I loved the snowman idea but this tops it off, I really wanna see this.?

Lyralei - November 24, 2020, 6:12 pm

A buffed up reindeer with decked out christmas decor would look funny, can't wait to see those entries.

I really like that idea of some kind of snowman. Maybe with some kind of freeze ability?

Retired Entrepreneur - November 25, 2020, 7:40 pm

A temporary Christmas hat ability.

One where if you attack someone, the attacked huckamon (i hope i spell it right) gets a Christmas hat for x hours or days.

This hat pass along idea can be implemented in other ways aswell, for example an egg with a hat is passed along when you attack someone.

Or here's another idea, attack someone and you can find a gift, this gift can include another rare egg, or a huckamon, or nothing at all.

I like a snowman with a Christmas hat, it's special skills would make other freeze or disable from using any item from the shop for a period of time.

oooh hell yes bud

Lrrr - December 9, 2020, 8:08 pm

I suggest the Christmas hum ability to rain bytes on all other HUM that are alive at the time of its demise. So every time one of these Xmas hums gets killed everyone with an active live HUM gets some Xmas bytes

These are awesome, definitely some good inspirations.

Who made those other hackus designs? We should actually ping him to create this since he did a good job previously :P

I thought it was [Novica](#) who made the originals. I'm not sure tho, but if he has the time it would be awesome to have him make another one :P

Maybe do a 2021 egg for the new year? Would be cool because 2020 sucked and the old Hackuman got corona virus. Maybe this 2021 egg will be good luck. ?
