(Nov 10, 2020 05:56 PM)Pa1N Wrote: [\[CITE\]](#) I've got the method and is totally worth it's money. I've

watched over 100 hours on youtube about CPA from different channels and not only that none of them mentioned something like this but this is a step-by-step guide with images.

None of the steps are left out like in other ebooks out there!

This method requires a small investment to start. You need 1 or 2 domain names which you can keep for long time and about 20\$ more to get the money flowing. This is a method you can scale and won't get saturated.

I will post an update later with my investments and profits

(Nov 6, 2020 06:22 AM)Artisan Wrote: [\[CITE\]](#) The guide has 19 pages in total and is really well written. The OP goes step by step on how you can start in CPA using the affiliate network he uses but he also leaves it up to you to find and choose other ones. The guide contains images to explain every step and also ways in which you can optimize your earnings. Setup time will take maximum 24 hours in my opinion (after getting approved by the network) and from then onwards, you can concentrate on earning and tweaking to maximize earnings. I think the price set by OP is reasonable and he can add another package with mentorship add add a 100\$ more to guide people by holding their hands throughout the process.

Please bear in mind that this is not a get rich quick scheme. You set it up and keep on grinding to see the money flow. 30 minutes to and hour daily and that should be good enough for monitoring, tweaking and maintenance.

There is one more suggestion I could think of and I will notify OP via pm/convo.

He is pretty much always active on Discord whenever I need help. Feels good to get back into the CPA game. I will update shortly on some earnings.

(Nov 23, 2020 06:50 AM)Yanix Wrote: [\[CITE\]](#) It was an step by step CPA lecture for an affiliate network most focus on MaxBounty.

The guide is really precise and written on step by step method. It also gives insight on how to get approved for your affiliate application. It also shows the steps on how to optimized using your Instagram account from the very start to the point on how it will give you some earnings.

OP makes it really good to share this method and I guess even those who are new with the Affiliate marketing will definitely get to understand what have been written. One more great thing is he is offering 24/7 support on guiding throughout the process.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,  
Stanley
