Thread: [+15 FREE Landing Pages for CPA](#)

Net - November 25, 2020, 3:52 am

OK, so I am cleaning up my computer and USBs and I found a map where I kept some of the landing pages I ripped from other competitors or when I was doing coding research. Before I completely delete them from my computer I am going to share, maybe someone will get some use of them. Maybe some of them require some edits, you can do whatever you want with them, idc.

Drop a reply here and I will send you a convo of the download link.

DO NOT PM ME, IF YOU PM ME I WILL NOT RESPOND. Dont want my PM box to be flooded I will contact you.E

So if you advertise your CPA offer on instagram, you can't just put an offer link in the bio, Instagram will remove it and prollly ban you.

That's why you get a landing page and insert your offer link there, and then put the Landing Page's HQ URL in the bio.

Net - January 5, 2021, 4:12 am

Will send the link to all of you in the evening, currently on laptop and I have the files on my PC.
