What would your BIN price be

Tides - November 25, 2020, 12:37 pm

Ooooo.

You got a starting price?

85% of market price is the BIN. Whoever lowballs me the least gets it.

I will offer 116-120 USD BTC, depends on current network fees ye.

Offer noted, but no thanks. Not desperate to sell, rather wait for a decent price and play with it.
