What do you wish you spent more time doing 5 years ago?

Personally, I'd say learning. Let me know your thoughts!

Edit: Just realized the typo in the title... my bad.

5 years ago I think I probably would have preferred to spend my time on this forum ...

I should never have left him in fact ...

Travel, its an awesome eye opening activity!!!

Psilocybinaut - November 25, 2020, 9:41 pm

Paying attention in school, spending more time not in jail, spending time with my son

Rezon ® - November 25, 2020, 11:58 pm

I would say studying in Cyber Security.

Snapbytes - November 26, 2020, 12:10 am

Spend more time studying stockmarket and trading. I wish I invested all my money to BTC.

Blogger - November 26, 2020, 12:50 am

I wish I spent more time learning to invest and investing.

2xTheTap115 - November 26, 2020, 1:01 am

I would spend much more time developing my passions and of course I would join HF much earlier than now?
