Thread: [Snapchat Traffic Ewhore Up to 500Leads/day 200\\$](#)

X.0D - November 26, 2020, 3:05 am

No fancy thread

Get up to 500 Snapchat adds and more in the following days as long as the profiles are alive. These are quality adds from multiple adult dating websites, Botted and Manual. The better you SE the more you make.

200\$ is nothing but convenient for the amount you can make off these if your methods and schemes are on point

Why buy?

-I have been Ewh since 2012 and I would not sell garbage

-Make easy Money. you can even send CPA offers to these adds and get your investment back if your sales fail.

-Because it works.

PM me here for details.

You can't vouch without being a contracted customer.

I understand, but it's a marketplace violation to vouch without a contract between the parts.

4. All vouches in threads must be related to a Contract and from a verified "Contracted Customer". One becomes a verified "Contracted Customer" if a contract has a thread ID (tid) in it.
