Thread: [Looking For GFX Artist to make Userbar for my Cartel/Crew](#)

Blockonome - November 28, 2020, 9:44 am

Hey guys,

I am thinking of buying a crew/cartel here on HF and want to hire someone to do the userbar for me.

Is there anyone that would be able to do this? I am currently doing a budget of \$50-\$70 depending on your experience.

Let me know if you are interested. Thank you!

Whatre your ideas for the userbar? Colors, images, font style (if applicable) etc?

Either kind of Shaman theme or a Natural Mammuth theme

What was your name going to be if you decided to go through with buying a usergroup?

I am thinking it is going to "Pagan Lyfe" something like that and then userbar of Viking with 2 axes in his hands looking out at the land, something like that

I do have a more precise description of what I want, if you want to try something out?

I AM STILL LOOKING FOR THIS! Please, do only contact me, if you can deliver a high resolution UserBar.

That is what I am looking for.
