Thread: [I finally made...](#)

Yin Yang - December 3, 2020, 4:22 pm

A Tik Tok account! I'm on IG, Snap, Twitter and FB. My fiancé's obsessed with it and all my younger friends text me fkn videos of tik vids.

I felt really annoyed that they felt the need to text me a diff platform, so I caved and created one recently.

I watch stuff here and there but it's just too much time and trends going on.

Call me old school, but how do u guys keep up and make skits and videos? Do y'all find it annoying when you see tik toks on FB, snap and IG stories or is it just me?

Zeus - December 3, 2020, 4:26 pm

I dont like tik tok im not going to make 1!

siddy357 - December 3, 2020, 6:24 pm

By staying out of it as the trends are a never ending loop as per the algorithm of the app.

Forensic - December 3, 2020, 6:26 pm

There is quite a bit of good content but most of them are overshadowed by cheap, meaningless content that is pure cringe.

Mafty Navue Erin - December 3, 2020, 11:22 pm

I hate TikTok but my friend managed to make viral cooking hack videos through it.

Artisan - December 3, 2020, 11:26 pm

I hate tiktok and wont even go to the platform even if someone paid me to open an account there (the last bit is sarcasm). ?

False King - December 4, 2020, 12:14 am

TikTok is besides Twitter one of the Social Media platforms that I hate so much, I never used it.

The Pact - December 4, 2020, 12:20 am

They just seem too short for anything significant to happen. Unless it's a Claudia Conway tiktok.

The amount of crap I've seen being posted on Snapchat/Instagram that came from TikTok is enough reason for me not to join it. I'm already getting annoyed with all the bullshit TikTok's being posted on IG.

Goku - December 4, 2020, 1:21 am

Fuck op what have you done?
Delete that app

Dude, idk if you're kidding but if you aren't then please stop her before it's too late.

But I don't know if you people know about the pedo netflix serie called cuties I think.

This shit is happening on tiktok. I've seen a girl doing weird shit and my lil sis phone. I immediately told her to delete that app lol.

Also, that dirty comment section... damn all those old people.

You just lost 6 social credit score for that comment. ?

N - December 4, 2020, 8:14 am

I have the app, but haven't made an account. I get sent a lot of TikTok stuff from friends as well. Sometimes it's cool to pass some time. Some funny stuff on there.

+35?..... I think there must come a point where you need to delete all social media apps at a certain age, agree or disagree?

Neon™ - December 4, 2020, 10:20 am

I downloaded it once, couldn't stand the cringe and deleted it after 1 day. Decided to give it a second chance and deleted it again after 1 day.

My reason for deleting the app is not only because of the content which as a guy in my mid 20s find to be childish and cringy (not all but a large part of it) but also because it's addicting as hell to swipe over and over and suddenly boom u lost few H a day being unproductive.

Blogger - December 4, 2020, 2:21 pm

I finally made one, too. I only put hyperlapses of the sunrise and sunset on mine. lol Oh and my wife. I shouldn't be on TikTok.

2xTheTap115 - December 5, 2020, 4:45 am

Luckily for me, I don't have such a problem?

Maybe mostly because I don't use tictock, snap?

Psilocybinaut - December 5, 2020, 1:55 pm

I was so against Tik tok for months, because of the shit going on with China.

I caved and made one, though. I enjoy it. Some of the stuff is really cool. I watch a lot of timed dancing where the guy and girl move a certain way it's almost like an optical illusion.

I also just like all the funny stuff on there. My ex gf would always send me shit and I'm not gonna

lie, it was all pretty funny. didn't tell her that though!

Xerotic - December 5, 2020, 2:04 pm

I've never used TikTok. I did use to make some vines back in the day.

Telstra - December 5, 2020, 4:32 pm

tik tok is good i think it very funny sometime aha yung kids and their internets am i right? fossil

630 - December 5, 2020, 10:25 pm

Fuck actually making a tik tok video... It's all about scrolling in bed or while pooping.

Vitani's Mate - December 5, 2020, 10:30 pm

I don't do the Tiktok. I am pretty damn old. lol
I tend to avoid that type of shit.

Lyralei - December 5, 2020, 10:39 pm

Isn't TikTok mostly just for lewds? darn it.

A + - December 6, 2020, 12:43 am

A large chunk of it is lame. Respect to everyone that puts out quality stuff. To be fair though, I've got better things to do than watch 30 second videos that kids make all day.

zboub - December 6, 2020, 4:24 pm

I think Tik Tok is only understood by 12 year olds, and child influencers
