Thread: [New Euthanasia Award Goal](#)

Xerotic - December 3, 2020, 5:02 pm

Want to get the new Euthanasia [Award Goal](#)?

It's easy! All you need to do is self-destroy any level 100+ Hackuman that you have.

You can self-destroy HUM from this page: <https://hackforums.net/hackuman.php>

Click on the ellipses and choose the "Kill Hackuman" option:

The award will be granted immediately after you self-destroy the HUM.

Enjoy. ?

flavoral - December 3, 2020, 5:03 pm

Feeling cute, i might get this award.

Omniscient - December 3, 2020, 5:11 pm

Currently 6 potential HUM up there right now that can get this award. Who will be first?

vyactor - December 3, 2020, 5:19 pm

Never had been that interested on HUM game to get my HUM to above 100+ level. If I saw this coming, I would have at least tried to go with the flow.

ahhh, wonder who's gonna self destroy their 100+ level Hackuman. It seems like a tough decision.

K1. - December 3, 2020, 5:35 pm

HUM is about to become a bloodbath for this award!

Thanks [Xerotic](#)

test - December 3, 2020, 11:39 pm

Should've made this an April Fools award where you don't get the award after you delete your HUM.

Dorrance - December 4, 2020, 1:19 am

I like this new award it's like being immortalized as one of the greats.

Goku - December 4, 2020, 1:20 am

:O

Anyone tips on leveling your hacku?

Xen - December 4, 2020, 1:32 am

They only released this award to try to bring life to the game but having all those high hums kill themselves pretty smart move. Hopefully it brings some life back to HUM

I really thought this was an early April fools joke to get us to kill our poor HUM. But no fun award for those who can get it ?

spiral - December 4, 2020, 5:13 am

Rest in peace "no cap". Time to get a new freagle.

SIM-888979 - December 4, 2020, 5:19 am

Aren't there bounties on each HUM? So if you kill it, who gets the bounty?

Just a thought: since it is a "Euthanasia" award, you could always do something like a needle with liquid dripping out. Or a medical bottle containing the chemical combination of a Euthanasia

I bet [Fortunate](#) could design a dope award if they are looking

I was considering the reality that there could/would be an alternate connotation to the award; although, I do think those images are most fitting.

I'd love to do that although I would have no idea what it could be other than we have right now, maybe something to do with HUM?

Maybe more like a "HUM legend" award style.

If they just make the award a little bit smaller, worth it.

I did it anyway, why the hell not.

Doom - December 6, 2020, 7:14 am

Great award in my opinion, gives an 'endgame' to the HUM game.
