Thread: [BEST XMR SILENT MINER ?](#)

maraboudu93 - December 5, 2020, 4:20 am

Hello HF

was just wondering what is the best xmr silent miner on the market atm and with its compatible crypters.

RIP Juice WRLD - December 5, 2020, 4:55 am

There's really no good XMR miners around; don't trust anyone who says otherwise. I think I've tried almost all of them by now.

yeah, I'm not really surprised

B FOR BADASS - December 5, 2020, 2:28 pm

Try premium tools section. thx

NZT - December 8, 2020, 1:08 am

Yeah, Like Juice said there really isn't any good ones anymore, I've tried 4 different miners and only 1 worked decently.

could you please give the name of it.

thanks
