Can I take the vouch copy? I'll do the review. My account is 9 years old, 0 scam reports, lmk!

I actually tried to contribute to the overall concept of OP's sale's thread. Warning others before money is wasted.

And he changes his post to hide harassment lmao. I do have open reports, I'm not you flexing. They're from years ago where the disputee has not bothered to respond to counterclaims and close them. I have no shame in that as they were handled.

NOW whos overanalyzing everything?

I wasn't hiding anything, the first half wasn't needed when I realized you were projecting lol.

What did he type originally? Lol. No idea what I missed in the hour that I was gone. LOL.

Sure brother. Send me the link of only fans you'd like and I'll send you over the vouch copy.

He was mad as fuck because I said I had 0 scam reports in 9 years and I realized it's because he's a scammer with 3 open scam reports ?
