I'm 5ft 11in, which is a pretty good height in my opinion. Not too short, although it would be nice to be a bit higher.

Cooligan - December 6, 2020, 4:44 pm

Not as tall as I'd like to be, that's for sure.

Alexander - December 6, 2020, 4:45 pm

I'm 190 centimeters tall, which I'm happy with, seen in isolation. I only weigh around 65 kg though, so that's an issue.

Yin Yang - December 6, 2020, 4:57 pm

I'm 5'9 and I'm happy

N1ghtm4re - December 7, 2020, 7:47 am

I'm about 6'1 as well, I'd like to be 6'5-6'7 if it were possible buuut, I'm okay where I am now.

Demize - December 7, 2020, 7:55 am

I'm 6'3 I've always been tall my whole life plus I got long arms

Artisan - December 7, 2020, 10:56 am

Im 5' 10''. Barely made it to the normal height according to this scale. ?

Megatron - December 7, 2020, 11:00 am

I'm 6'2". I feel lucky to be that height because it's way above average height-wise, but not too tall for it to be a major inconvenience. Sitting in coach on an airplane can suck though.

?ystem - December 7, 2020, 11:47 am

I'm not sure if I'm considered short or not, there are conflicting theories, but I'm around the 5' 8" mark.

Compared to the mass Colossal Titans I went to school with, I believe I'm on the short side but I'm perfectly okay with that.

Who Soup - December 7, 2020, 12:51 pm

6'1 210 - 220 lbs

I used to be super fat back in the day, went all the way up to 300 before I cut the weight :)

permutate - December 7, 2020, 1:04 pm

5'11". Very lucky that I am considered within 'optimal height'.

I'm taller than the average guy, but still shorter than the really tall guys. Honestly pretty lucky I got some height, as most of my family's males are 5'7-5'8, except for my Grandpa who was apparently a little over 6ft. He died before I was born, but I quietly thank him everyday. Of course I would be ecstatic if I had an extra inch, but honestly everyone who's under 6ft tall assumes I'm 6ft tall.

This shit is superficial as f*ck, but there are legit benefits to being above average height. Career, Relationships, Health, etc.

I wish the world wasn't like this, but unfortunately it is.

TobiTee - December 7, 2020, 1:05 pm

5'10, God has blessed my genes ???

Telstra - December 14, 2020, 2:07 am

I am 6ft5 and i would bash you irl

ScorpionX - *December 14, 2020, 2:11 am*

I am 5ft 10in and glad that I barely made it there.
