Thread: [I have 200 \\$ to invest - where I can invest it](#)

CyberAlex - December 5, 2020, 2:52 pm

I have 200\$ to invest per month, does someone has ideas where I can invest the money?

SIM-587985 - December 5, 2020, 8:27 pm

Message me, I may be able to help.

Hey Wardyn , ive also got some side cash around 200 to invest if possible but wonder on what n where. Could you also help me out if you have free time ? Ty ?

Ta1ented_elite - December 7, 2020, 5:05 am

open a robinhood account and invest it there when a stock or a coin is low and let it build itself gl

Boredtires - December 7, 2020, 12:39 pm

Invest into bitcoin. It'll go up.

CyberAlex - December 7, 2020, 2:52 pm

only in bitcoin or als in other coin?

Hardware wallet is recommended but definitely not a must.

You can buy ethereum on coinbase (Or any other crypto exchange)

However, you should definitely not store your crypto on the exchange. That is a big no no. You should store the crypto in either a hardware wallet or a software wallet.

Check out this URL for a bit of info about each type of wallet.

Try investing in stocks. Do your research first, join some Facebook groups, etc.

people need their packs and the mailman is basically a government employed delivery man for my
packs so...
pls save post office lmao
