If you can make it smaller I may be able to enter, it's just kinda stretched out and I honestly wouldn't wanna look at it every time I post unless it's pretty.

Already repped you from before, pal.  
Please send me the signature in PM :-)

Nice website. If i were to come with a suggestion, i would say that you should change the email address to something related to your domain, and not hotmail.  
It will look more professional. For example, help@brockshomework.com or contact@brockshomework.com.

**Stanley** - December 24, 2020, 5:13 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,  
Stanley
