Any plans on selling master gmails?

hombregordo - December 23, 2020, 1:44 am

This is probably a dumb question, but how do you deliver accounts? Do we take control of them or do you write reviews? Can we choose which level of review (any stars?) given by the account? Or is it 5 star only and we provide you review and profile to write review on? Sorry for so many qu's, mate.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
