This thread will be closed tonight at midnight (assuming that I am awake). If I am not awake, all posts after the posted deadline in the OP will not be counted.

Please bare with me as I roll for the prizes as I will be spending tomorrow (Saturday) with family and consequently traveling Sunday morning on a few flights. I will livestream my setup and rolls via Discord with [Zero](#) or [Lavish Living](#) and any desired staff member, so as to verify that I am not rigging any of the results. Once the results are established, I will then contact the specified members whom are giving out the prize and have them contact the designated recipient.

Thanks and best of luck to all.
