Thread: [Someone to translate a paragraph to Spanish](#)

Tesla - December 7, 2020, 12:06 pm

Hey guys I am paying someone to properly translate this very short article for me into Spanish. I need to be fluently written out by someone who can properly speak Spanish because Google Translate makes it too obvious. Let me know if you can do this, it will take probably 1-2 minutes and I'll give you \$5.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
