nCuX0 - April 21, 2021, 6:53 pm

A Nobody - April 21, 2021, 7:24 pm

And I just now learned that there's a winner of the thread lol.

Ninja™ - April 21, 2021, 7:41 pm

No till now but I am hopeful that one day stanley will notice me. :)

b?xxy - April 22, 2021, 10:51 am

Is there a way to find out how many check-ins you have?

Alex J - April 23, 2021, 9:45 am

yep, go to the award goal, you'll see that "Every day Ninja reward" along with the number of checkins you've made (if it was continuous)

TB12 - April 23, 2021, 10:03 am

Only once, didn't even know that was a thing until I got the PM lmao

Well, yeah but I keep forgetting to do the Check-Ins so mine keeps resetting.

Pow3r - April 23, 2021, 12:06 pm

I've won the bonus just once I believe, at the time I didn't even know it existed so it was a double surprise.

?nxy - April 23, 2021, 12:29 pm

I just post in there whenever I can.

Regulus - April 25, 2021, 4:47 am

Been trying to get it but I am not on HF everyday so it's hard to achieve for me lmao

LeetSpeed - April 25, 2021, 12:53 pm

I've never won so far...maybe my luck will change soon

30 seconds of your time is all it takes my man

Sky - April 25, 2021, 3:59 pm

If you're referring to the bytes reward, I won it several times in the past.

On what account was this won

Lyrlei - April 25, 2021, 5:26 pm

Zero times so far, lewl, sometimes it makes me think if the prize is a myth.

Robotsapian - April 25, 2021, 5:42 pm

I have never won anything i am unlucky

Mix - April 25, 2021, 5:46 pm

still have never won it. I haven't really tried since I got the reward.

The Pact - April 25, 2021, 6:45 pm

I have never won it. I have won 250 Bytes twice for quick loving people's posts though.

I am still at 96% for ql award and still don't have it though.

Both times I won the bytes happened to be times I quick loved someone's post because I liked it and not to try and get ql back.

vyactor - April 25, 2021, 6:46 pm

Guess I'm the most unlucky guy in HF. I've been nearly checking in for a year daily (may have missed a month or so in total) but I've never ever won that 500 bytes.

The Pact - April 25, 2021, 6:47 pm

(Apr 25, 2021 04:00 PM)Forensicck Wrote: [\[CITE\]](#) On what account was this won

I actually got 250 bytes for liking one of your posts. ?

I have never won the 500 bytes for the daily thread but I kept forgetting to post in that thread at least I'm up to about 26% for the ninja award and I hope I don't lose it again the way I once did when I was at 22%.

Grim - April 25, 2021, 7:03 pm

once or twice i think it should be more bytes

Lorem Ipsum - April 25, 2021, 7:07 pm

I know how it feels like when you have 185k+ Bytes, you want more and more haha.

Joking of course, I never won the Bytes as far as I can remember.. but I can't complain about luck (Dice award, Golden Egg, etc.).

You don't need it. You have a lot of bytes!

I did not know you could win something, this is an interesting one! I've never won

Beherit - April 27, 2021, 3:57 am

Pretty sure I won it more than once. I'm not sure if there's a way to check though.

There isn't but you'd think you'd remember winning such a large amount

True, guilty as charged. I'm sure it was twice in a span of 100 days while getting the daily ninja award.

mark187 - August 10, 2021, 10:58 am

i didn't win the daily check in yet

b?xxy - August 10, 2021, 11:15 am

I'm not entirely sure if I've ever won the daily check in thing.

Not something I really paid attention to.
