Thread: [REDDIT KARMA FARMING \(New & Aged Accounts!\)](#)

Blunts - December 9, 2020, 8:02 am

I offer a karma farming service for Reddit. I am able to farm on new accounts, as well as aged accounts.

I farm comment karma only, not link karma. If you already have negative comment karma, I will not farm on your account. The reason being is that most subreddits configure AutoMod to remove comments from a user with negative karma. I am able to get you out of the negatives, however it's a hassle that I do not want to go through.

Prices -

\$5 USD - 1,000 Comment Karma

\$20 USD - 5,000 Comment Karma

\$35 USD - 10,000 Comment Karma

\$50 USD - 20,000 Comment Karma

I can accept BTC, ETH, and CashApp.

I am very good at farming. I can stay under the radar of BotDefense 75% of the time. I offer a full refund if the account does get picked up by BotDefense.

I can do 1,000 karma within 24 hours, 5,000 in 2-4 days, and 10,000-20,000 within a week or two. Please note this does take time to fulfill, as I DO NOT use upvote bots, so its not instant delivery. Please get in touch before starting a contract.

Hey can you not post on my sales thread? Thanks.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
