\$150 CRYPTO CURRENCY or equivalent offer.

[contract=uid]Start Contract[/contract]

I believe anyone with motivation and resilience can make money from Shopify Dropshipping. For

\$150, the cost of a pair of shoes... can generate income for months. Invest in projects that return your investment within a few products sold.

I will build any store niche that you'd like, show you a preview, then transfer after funds are received, or however you'd like to contract.
