Easy and Fast Method to Create Traffic on Snapchat

I am offering limited copies of a traffic source for ewhoring.

This is meant to be an addition to what you already have going on for you, can be used as your main method as well.

I do not E-whore myself, but I have done it in the past. I have used this method for something else, and it has worked perfect.

What it requires from you:

30 minutes a day on your phone to generate everything from 25 - 100s of potential leads to your E-whore business via Snapchat.

Requires no investment, but if you wish to reduce time spent pr. day, you can pay to do it faster.

What will you get:

1 Word Document containing App Name to download on Google Play/Apple Store. The value comes from the knowledge of the app that will bring snapchat traffic.

Pricing:

I am selling this method in limited quantities \$4.99 paid in BTC/ETH

Copies in stock: 1 [AUTOBUY](#)

Video Traffic Proof:

Video proof of traffic, keep in mind this is girls I have personally added, as I was using this for something else.

About 15 - 20 minutes on this 2-3 days a week and have more than 500+ girls in 2 months. This leads me to confidently sell the source to ewhorers on HF.

I know I'm a new member and not really reputable, but if you would give me a chance and drop me my first ever vouch copy, I would be more than happy to write a very detailed and honest testimonial.

Thank you in advance :)

My review of this

First of all, thank you OP for the very first vouch copy I've received.

Anyways, the method. It is pretty straightforward and simple. Nothing very special, it could have been discovered if you did intensive research, however OP simplified it and even gave some additional tips on how to improve the actual method. If you put a little effort in (15-45 minutes) you can actually get 25-100 ads daily as promised. I did not use it much, but results are already promising.

I'd give this a very honest 8.5/10. You can get your money back within the first hour if you know what you're doing and this is a great addition to your snapchat traffic, as OP said, perfect for ewhoring.

I was using the traffic for something else.

If there are females, then there are plenty of males.

Under the video proof tab I included a description in regards.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
