What does this mean? ? I bet a lot of you are going to be pissed xD

Is this a shift in the wind? What other platforms do you think will follow suite?

VEESZAC - December 14, 2020, 9:17 am

I think a lot of other platforms already kind of do this. Xvideos and xnxx require video verification for channels now.

I think it a good moove they have do.

They need this to get out of the storm

Neon™ - December 14, 2020, 10:11 am

RIP to everyone who were doing the porn reupload method ?

Forensic - December 14, 2020, 10:21 am

Damn I knew I should have downloaded some shit real quick

Good move

They needed to do something about the revenge and underage content on their platform
